Upcoming MCOH Webinar:

Impact of Technology on Aging America’s Oral Health

Friday, September 15
Noon — 1:30 PM

Presented by: Jeannette Diaz, RDH, RDHAP, MSDH, MPH

Course objectives:

1) Analyze the role of technology in addressing oral health challenges in aging America.
2) Evaluate the ethical, social, and economic implications of technology in oral healthcare for older adults.
3) Design strategies for integrating technology into oral healthcare practices for older adults.

Virtual lecture, 1.5 CE, no prerequisites required.
There is no fee for CE or attendance, but you must register to attend.
