

2025 Missouri Oral Health Policy Conference

Exhibitor Benefits

You are invited to be an exhibitor at the 2025 Missouri Oral Health Policy Conference! The conference will take place on **Thursday, March 6, and Friday, March 7, 2025**, at the *Capitol Plaza Hotel & Convention Center* in Jefferson City, Missouri.

The Missouri Oral Health Policy Conference aims to raise awareness of the oral health challenges in Missouri and provide a wealth of information about oral health policy.

The exhibit tables will be placed in the grand ballroom, providing a clear view of all the conference presentations. As an exhibitor, you will receive complimentary access to conference speakers and meals. You will also be prominently recognized as a leading conference supporter before, during, and after the event, providing valuable exposure for your organization. This is an excellent opportunity to showcase existing and new products and services while increasing awareness of your organization.

The conference schedule allows many opportunities for conference participants to visit exhibits. Exhibitors will also have the opportunity to address attendees in a 5-minute Exhibitor focus session. Conference attendees will include oral health professionals, policymakers, advocates, community members interested in oral health, and representatives of safety-net clinics, local health departments, and state agencies. Approximately 150 attendees are expected at the conference this year.

Exhibits will be open from **10:00 a.m. to 7:00 p.m. on Thursday, March 6**, and from **7:30 a.m. to 1:00 p.m. on Friday, March 7**.
