

SPONSORSHIP OPPORTUNITIES

March 4–5, 2027 • Capitol Plaza Hotel & Convention Center • Jefferson City, Missouri

The Missouri Oral Health Policy Conference is hosted and organized by the Missouri Coalition for Oral Health, a 501(c)(3) non-profit advocacy organization. Bringing together approximately 150 oral health professionals, safety-net providers, health department representatives, oral health leaders, advocates, policymakers, and community members, this is the only statewide event dedicated specifically to bringing Missouri's oral health community together around policy and systems change.

Sponsoring the conference demonstrates your organization's commitment to improving oral health in Missouri while providing valuable visibility and opportunities to connect with oral health professionals and community leaders. Sponsors are recognized before, during, and after the conference, including on the new MCOH website. All sponsorship levels include annual MCOH organizational membership.
